

# Provide Assignment Feedback Using Screencast-o-matic Pro

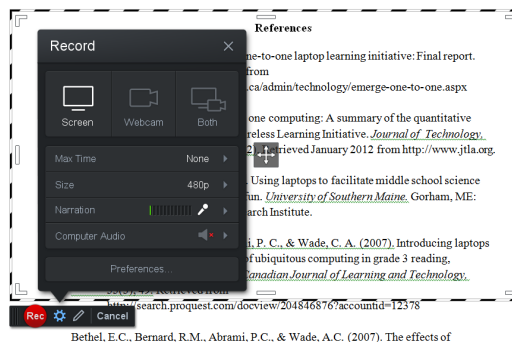

Required: Computer Microphone  
Required: Screencast-o-matic Pro Account

1 Go to <http://screencast-o-matic.com>  
Login with your Screencast-o-matic Pro account.

**TIP:** You may need to give your browser permission to run Java. Follow the on-screen instructions to do so.

2 Click **Start Recording**

3 A dotted frame will appear.  
Open your student's assignment.

4 Drag the dotted frame around the area you want to record (the assignment).

5 To start recording, click .  
The screen will count down 3,2,1, GO!  
Record your feedback on the assignment.

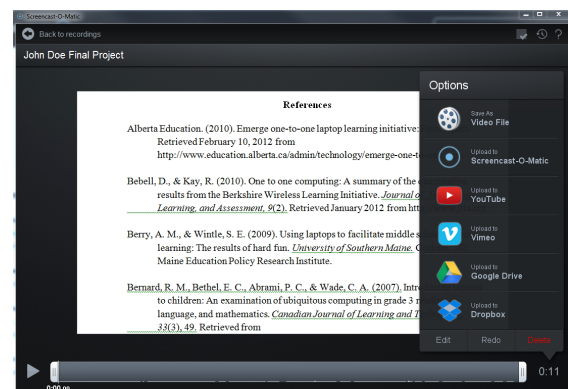

**TIP:** Adjust your microphone sound before you begin recording.

6 Click **Done** to complete recording.

**TIP:** To quickly toggle between record and pause click Alt-P (Windows) or Option-P (Mac).

7 A Preview of your video will pop-up.  
Click  to preview it.

8 Click  to save to your computer, **or**

9 Upload your video to YouTube, D2L, Dropbox, Google Drive, Vimeo or some other area where your students can access it.

**TIP:** You will likely need to create a free account with one of these services providers.

10 Share the link with your student via email or D2L.

**TIP:** Set your video as unlisted when uploading, so assignments are not shared with the general public.
